Eligible youth aged 5-18 years can apply for financial assistance to contribute towards club fees. The fees will go directly to the registered KidSport clubs through their participating local government. Minister's introduction

KidSport is a partnership between the Department of Sport and Recreation and local governments.

The program is important because we believe that all kids should have the opportunity to take part in sport and recreation. Yes, because it is fun, but just as importantly, participation in sport and recreation gives your child a better chance of doing well at school and being physically and mentally healthier.

This program will pay up to \$200 towards club fees for children whose families could not normally afford it.
